Bill D. Collins, 78, of Sand Springs, OK passed away peacefully with his family at his side on March 4, 2019 in Tulsa. Final arrangements are under the direction of McClendon-Winters Funeral Home. In lieu of flowers, memorials may be made to Samaritan's Purse or a charity of your choice.

Bill was born in Miami, OK to Vern and Marie Collins on October 10, 1940. He attended Miami schools and graduated with the class of 1958. He married Connie Clapp Collins on October 12, 1963 in Bartlesville, OK. Bill graduated from Oklahoma State University in 1963 with a B.S. degree and again in 1974 with an Ed.D. Bill's lifelong, challenging career was defined by learning and teaching. He taught or worked at several corporations and universities including Oklahoma State University, Northeastern State University, Phillips Petroleum Company, Oxy Chemicals, Chesapeake Energy, Access, and Devon Energy. Since 2015, he worked as a Senior Technical Specialist in the Safety and Operational Discipline for Williams in Tulsa. Bill loved vehicles, trading until just before his passing. From his first pickup truck in high school to owning local automotive businesses, he continued trading vehicles as a hobby and business throughout his life. He always said he would never retire and had continued working full-time up to the time of his recent illness.

Through the various locations of his employment, Bill had the opportunity to travel to almost every state with family joining him on numerous occasions. Faith was a priority, and Bill was a member of various non-denominational churches through the years. He was also a Life Member of the OSU Alumni Association. Watching the OSU Cowboys was one of his favorite pastimes, no matter what season.

Bill was preceded in death by his parents, Vern and Marie Collins. In addition to a host of family and friends, he is also survived by his wife of 55 years, Connie Collins; his daughter, Jana Lyons and husband Steve Lyons of Dallas, TX; his son, Jeff and wife Teresa of Mannford, OK; his brother Bob Collins and wife Judie of Branson, MO; grandchildren Roderick, Shciqueus, and Jaylin Lyons of Dallas and Carson, Colton, and Kellyn Collins of Mannford.

In accordance with Bill's wishes outlined in a letter written to his family more than a year before his death, a funeral service is not planned. To honor his legacy, a Celebration of Life will be held Sunday, March 17th from 2-4 P.M. in the Traditions Hall of the ConocoPhillips OSU Alumni Center located on the Stillwater campus. Guests are encouraged to come and go at their convenience.

“ Bill was the faculty sponsor for our Christian Fraternity (Chi Alpha) during my time at OSU. He and Connie welcomed our group into their home to watch replays of the football games on numerous weekends. After I graduated, Bill stood up with me as "Best Man" at my wedding. That was 44 years ago. I remember Bill would always give it to you straight but with kindness and good humor. I never knew him to delight in another's misfortune. Connie, you are in our prayers. “ Bill will be missed at Williams! I remember my first day at Williams in WRC2. I was fortunate to be located next to Bill until our move to 43 in the BOK tower. I always enjoyed our discussions about pretty much any topic current or past. Rest in Peace Bill. Condolences to the family and friends during this time. Mark Ray

“ I'm so sad that "Billy" is gone. He was such a special man. We reconnected a few years ago when he was living here in California. It was nice to visit with a cousin since I don't have any near me any longer. He reached out and it meant the world to me. Sometimes I'd be thinking about him and the phone would ring and it would be him, just checking in to see how my husband and I were doing. I will miss those phone calls, but will treasure the memories of them. So sorry for your lose Connie and kids, but we all know where he is and I know Aunt Marie and Uncle Vernie are smiling at the sight of his beautiful face. As is Jesus.

Love and Peace to you all,

“ So much time spent together !!! So many memories !!! One of the jewels in Bill's crown is b/c he replaced my frozen busted water pipes in my trailer the year my husband was in boot camp !!! And, Bill & Connie had 2 of the cutest, sweetest & blondest children !!! Jeffrey was three & Jana was in the first grade classroom where I did my student teaching !!! A neighbor in Stillwater said Bill & Connie drew people like honey draws flies !!! What they did was serve lots of homemade ice cream to homesick college students & then give us sweaters b/c it made us cold !!! Don & I moved to Miami the next year to teach and Bill's parents treated us like family too !!! Forty seven years passed, but not before many visits & catch up phone calls happened !!! About two months ago, Bill & Connie met me for our Last Supper at Cracker Barrel !!! My old friend's easy commoriety made for another pleasant visit !!! One day in Heaven we will pick back up where it ended !!!

“ Bill was such an encouragement to Brent and I during the time that he lived in Bakersfield. What a blessing it was to have someone from “home” here with us! He was an incredible servant and we loved having him nearby. His faith in God was evident as he served in various capacities. We are so incredibly sorry that he is not here anymore, but I can just imagine him sitting at the feet of Jesus worshipping and glorifying God. Connie, we love you and are praying for peace and comfort.
