“ Dottie was one of the best friends that I've ever had! There was never a dull moment when we were hanging out. The age difference meant nothing because there was always something to laugh about, even when it was embarrassing. I missed out on the last 8 months of her company, but will never forget the years we spent as friends. Sooo very sad to learn of her going home! Love you always, Dot!!!!

“ There aren't words to explain the sadness I feel at Dottie's passing. She was a good friend and cousin. I feel blessed to have all the memories I have of all the fun and adventures we shared.
My thoughts and love go out to her sisters.

“ My memories of Dottie are filled with her Warmth, Love & Laughter for Life & the Love she felt for her family.

How she always had these crazy, funny, wonderful family stories about her sisters & how much she enjoyed being part of them.

These stories were always told with such Love for her sisters.

The idea that she's gone, fills my heart with sadness & my eyes with tears.

We all have our memories of Dottie, which we keep in our hearts.

May your Memories of your dear sister Dottie, bring you girls & your families Love, Comfort & Peace during this time

and

with thoughts & prayers that God will strengthen you daily, reminding you of His Love & Strength to see you through.

“ My parents - Mr. & Mrs. McElhaney who live across the street say they are so heart broken to have heard that their neighbor & friend passed. I am writing on behalf of my parents because they do not have internet. I wanted to let Dottie's family and friends know that my parents are sending their condolences and their thoughts and prayers for a healing heart to you all. Us McElhaney kids also send our condolences as we did not actually know Dottie, we did get a friendly hello and wave whenever we were with our parents. So sorry for your loss.

“ I was honored to care for Dottie as a patient for many, many years. But so much more honored for her to consider me a friend. She was a hoot and I will always miss her.
Thanks for making all our lives brighter at OVC.

“ Dottie, My heart might be breaking while I know you will always have a permanent place there. Thank You for brightening my life. You're laughter and generosity will always stay with me. Feel free to visit me in my dreams and daily life. I will be looking forward to seeing you again.

Right now I want to wrap my arms around, and give a big hug to, all your sisters and their families. Know that I send my love, peace and comfort to you all. No words can express how sad I am at this time. But know you will always be in my prayers.
