“ Sending my sincere condolences Dortha, Larry and LaVerle on the passing of your mother. I have many fond memories of Mary and of all of you from when we were children. Playing together on warm summer nights when you lived in Twin Hills by the school, eating homemade ice cream your parents made while we played until dark:30 and many, many more. . I'll always cherish those childhood memories. She was special

“ Dearest Family,  
Loving memories keep dancing through my heart. Someone so dear to to all of us. Mary Virginia Morrow was my daughter Kimberly Franks Aunt and Sister in law and Love for Lillian Whiddon Watson and myself.  
Her home and heart was a Haven for so many over the years.  
I left Okmulgee, so many years ago...  
Some of you hardly know me. I have lived in Germany now, for almost 18 of those years but Mary Morrow never left my heart.  
When I came home to visit... I came home to a warm heart and open arms. I tried to tell her each time, how much she meant to my life and many others. She was always so humble. She told me how pleased she was that am happy. "You deserve it ."she said. Sometimes, she was the only person strong enough to offer a strong portion of happines , a haven to rest and survive.  
Over the years, I brought many burdens to her door. Mary and Bunny never closed that Door but they let me know that respect was the ony thing they expected in return.  
I remember so many happy moments...so many poignantly sweet memories of life as it was...for example:  
4 children ages 1 to 9 with Whooping Cough in a 2 room House, that we all lived in together after Mary and Bunny's home had burned to the ground. Still she shared and cared for for me.  
I remember ... when my mother sent me a box of clothes for the new school year. They were all 2 sizes too big and totally 'not in Style '. Mary and Bunny had 3 children of their own starting to back to school. But Mary turned to my dear Brother and said. " Bunny Morrow ! You can't expect Edna to start school in those clothes. She is 16 years old. I will have to take Edna to town and see if we can find some new things for her too. I still remember... exactly what we bought together that day . I loved her so much for thst and so many things.  
I loved her then and will go on loving her Forever and a Day. Oh the Memories keep dancing... Love, Edna Kleespies

“ My Aunt Mary,  
She was many things to many people: daughter, sister, wife, mother, aunt, nannie. Her love knew no limits. She loved beyond blood, across oceans, and through time. Nothing seemed to dampen her generous spirit or dim her vibrant personality. She was proud of our accomplishments and forgiving of our failures. She was always glad to see us, and never resentful when we stayed away too long. To me she was HOME.

“ What a beautiful angel heaven now has. Mary's smile and love will always stay in our hearts.

I will forever be grateful to her for opening her heart and home to my husband Kevin. The first time she saw me she beamed that beautiful smile and hugged me as if she knew me forever. We spoke for a while and I knew she was a special lady. Last summer we brought our children to meet her they adored their " Nanni" Anne spoke and laughed about the time they spent with her all the way home to Florida. Be at peace beloved, for you are in HIS glory now and forever

“ One of the few trips Aunt Mary and Uncle Bunny made to Texas at Christmas time that has stuck in my mind is we were really happy they were there and when present time came Aunt Mary said "Well kids Aunt Mary wasn't able to get you any presents, but here is a piece of gum." Well that was no problem I remember cause we didn't get gum that often and to get a piece of Aunt Mary's was even better! So we take a slice(Yes because that's how it came then in a Juicy Fruit package) we open it up and low and behold some how some way she folded each of us a \$5 bill up and put it back in the wrapper in that Juice Fruit package. Best Christmas ever cause we got MONEY! Now don't ask me what I got with that \$5 I haven't a clue. Oh, and yes we did get a piece of gum too. Love you Aunt Mary!
