“ I am sincerely sorry to hear of Thelmas passing. She was a good to my Dad and they were happily married for over 20 years. Over the years since he’s been gone , we seemed to talk less and less but I still loved her and again, I am sorry to hear she is now gone.

“ Thelma was like a mother to me for the past 40 years. I have so many memories of her smile and tenacity. She was always a straight shooter and never hid what she was thinking or feeling. She had a quick wit and a quick mind. She always remembered my birthday would give me a call. You will be forever missed. I’ll see you and Rhonda in heaven some day.
Love,
Darryl Brown

“ My deepest sympathy in the loss of your beloved mother, sister, and grandmother. Her smile, quick wit, and caring attitude is what I loved about her. We shared many fond memories of our youth during those annual Christmas telephone calls. Although these past few years have been a health struggle, she remained strong and determined.
She will always have a special place in my heart. May she Rest In Peace.

Love and blessings,
Allene Brewer
