“ Alan is a first cousin of mine and we were always close. We didn't see a lot of each other but when we did it was always a smile and a hug and a good visit. When we were kids he and my brother were hung out together a lot , so I did get to enjoy him even then and he was like 4 years older than me but always made me feel a bit special. I'm so saddened by his passing . He was a good man who always worked hard and took care of his family. He will be missed . I love you Alan and will see you one heavenly day. RIP
