“ My most sincere condolences to Keland, Brandon and Tana. Our families have been intertwined in many ways for many years and I would like to express my gratitude to Alvin, Mae and all of their family for this friendship. I will mourn this loss of a fine friend as you mourn the loss of your father. May fine memories of your life with both Alvin and Mae sustain you all during this difficult time.

“ *So sad to hear that Mr. Arterbury is gone. I feel I was so lucky to have been taught by him for two trimesters. He was the best teacher I ever had in all of my schooling. I graduated from Tech in 1967. I have spent the last 55 years using the skills I learned from him. I feel I owe my success in my profession to Mr. Arterbury.*

“ *Alvin's passing will create a big void to our barber shop. I was honored to be his barber over the last 30+ years. We had many laughs, thought the same on world events, and I enjoyed his dry humor. Our prayers are with Keland, Tana, and the rest of the family.*
