“ I'm Spending Christmas With Jesus This Year

*I see the countless Christmas trees around the world below.*

*With tiny lights, like Heaven's stars, reflecting on the snow.*

*The sight is so spectacular, please wipe away that tear;*

*For I am spending Christmas with Jesus Christ this year.*

*I hear the many Christmas songs that people hold so dear.*

*But the sounds of music can't compare with the Christmas choir up here.*

*I have no words to tell you the joy their voices bring.*

*For it is beyond description to hear the angels sing.*

*I know how much you miss me, I see the pain inside your heart.*

*But I am not so far away, we really aren't apart.*

*I cannot tell you of the splendor or the peace inside this place*

*Can you imagine Christmas with our Savior, face to face?*

*I will ask him to light your spirit as I tell him of your love.*

*So then pray for one another as you lift your eyes above.*

*So be happy for me, dear ones, you know I hold you dear.*

*And be glad I'm spending Christmas with Jesus Christ this year.*

*I sent you each a special gift, from my heavenly home above.*

*I sent you each a memory of my undying love.*

*After all, love is a gift more precious than pure gold.*

*It was always most important in the stories Jesus told.*

*Please love and keep each other, as my Father said to do.*

*For I can't count the blessing or love he has for each of you.*

*So have a Merry Christmas and wipe away that tear.*

*Remember, I am spending Christmas with Jesus Christ this year.*

*Mom and Dad You are both loved and missed so much.*

“ *Daddy,  
When John and I was out there a few weeks ago was the best time.  
We talked a lot, cried alot, held each other. It was so hard to say  
good by knowing that We would  
never get to see each other until we meet in heaven. The only thing  
that helps me  
is knowing that you are out of pain and you are with mom and the  
rest of are  
family that is in heaven. Daddy we love you so much. You will be  
missed every day.  
Until we meet again in heaven. By for now.*

*Cindy  
Thank you so much for all you did for Dad.  
You were there when none of us others could be, through all the Dr's appointments, when Dad was sick and needed a hand to hold. When he needed a home cooked meal. Someone to talk to (in person). we all called about every day. but it's not the same as being there. Dad had a very special love for each of us. But you were his Baby girl. Thanks. We sure have been through a lot together you, Carol. Robert and Me. Stuck together like a family should. Thanks again I will always remember.  
I LOVE YOU SISTER

*I called Grandpa every single day, not once but several times, There was many times that Grandpa would rub it in my face that "your mom made "ME" green chili, enchillada's, peach cobbler, catfish, and its all mine" I told him that I was going to come down there and help him eat it and all he would say is "BULLSHIT, IT'S ALL MINE". It was wonderful to hear him laugh the last few weeks and days, even though he was suffering and all that was going on GRANDPA KNEW who was there for him and don't let any person try to play there little games. Grandpa & Grandma are up there looking down at all of us and trust me when we meet up with them again, they will give the people who are acting up because of whatever reason they have a what for! That is a fact!! Just remember how when the finder shake Grandpa always did when your in trouble.*

*I will always love my Grandparents with all my heart, Im glad that Grandpa got to meet my boys, and talk to them on the phone several times also.*
