“ *I am truly hurt over the letter that Vivian Poe posted about my father. Here we are grieving over his death and missing him terribly and she wants to bad mouth him for all the world to read. He is gone, she cant hurt him now. The only one she hurts are us, his children and family who are left behind. I have to wonder what kind of person does that? But I will not judge her for that is Gods job. And I will forgive her because that is what my Lord and savior Jesus Christ tells me to do.
