“*Connie, you and Amys babies are in my thoughts and prayers. So much loss in such a short period of time, its just tragic and makes my heart hurt. Although Amy and I have lost touch through the years, some of my fondest memories are of spending the summers in Okmulgee and hanging out with Vicki and Amy. I think the three of us stayed together and I saw them more than I did Grandma and Grandpa. I will never forget fun times sleeping over with you all and those dang hamsters, going to Greenwood lake, and staying up all night laughing and talking. I remember when Amy and I went with mom and grandma to grandmas family reunion. We were jumping on a trampoline and my shorts ripped all the way up the back, we laughed so hard we cried. I remember the last time I saw Amy, we actually talked about that trip and laughed all over again. I will miss you sweet Amy, you were an amazing person and awesome cousin. Your absents will be felt by so many. R.I.P.*

My heart is broken for you there is no pain or emptiness as this God bless and keep you. God takes the fruit when it is at its best and so with your babies. He needs and army of young warriors to fight his war with satan not us old one. Again all my love and prayers are with you.*
