Beautiful Christy. It is so hard to loose a parent and words seem not to be enough for comfort. Know though that you are loved and in my thoughts. I wish I could have got to know your father. A fathers and mothers love is so unconditional and is forever. Family is the most important thing under God. Love to you and Comfort to you.

“ *I want to send my heart felt condolences to the siblings and family of Mike. Mike was a very good friend to my brother Mike and I was very upset to read of his passing and that I had missed his service. Losing a loved one is a very difficult experience, but with time the heart will begin to heal because we know they are in a better place.*
