“ *To The Little Family: Artie Mae loved God and was a special person. Very talented, gentle and a kind woman. She will be missed my many especially by her family. I miss my mother Violet who has been gone since 2003. It has been a while since I have seen and visited with Artie Mae. Artie Mae and Violet, along with their husbands and children were good family and church friends and fishing buddies. I heard many stories of catching fish, and having church fish fries. Of course the fish caught were "BIG" catfish. I saw pictures of them !! I don't think any of the BIG ones got away.*

My thoughts and prayers are with you during the loss of a very dear sweet lady. She was one of a kind and will be dearly missed. I'm sorry that I could not attend services, as I was out of town at a family funeral. Again, my prayers are with you.
