“ Ahh Beth! Such a sweet & kind soul who really cares about her people & pets. I met Beth when I was young became she lives in my neighborhood. She was about 6 to 7 years younger than me but back then we knew everyone. Beth & I used to go do lunch once in awhile to catch up & just like she's always been , a person with a lot of funny stories to tell you. I will miss you Beth, you left way too soon, take care & fly high with the Angels. Some day we shall meet again.! Your friend, Kim

“ Oh my sweet, beautiful cousin, this world will not be the same without you. I'll hold close to me the memories of those long, late night texting sessions where you always made me smile and feel better about whatever was going on. You were such a positive light that will always shine bright in my mind. I love you to the moon and back, Beth Ann. ❤️
