“ *Clarence and Family,*

*I am saddened to hear of the loss of Betty. She was one of a kind, a blessing to all that she met. Betty was a blessing and joy to my family. I first met her when she came to work for my Grand Mother when my Grand Mother became ill. My Grand Mother forgot her last name but told us Betty came to help her on Fridays, so she became known to us as "Betty Friday". And so it went, we always called her Betty Friday !! She will be missed by all. I am thankful that I got to know her.*
