“ Betty was an incredible woman. I grew up with Walt and Wade. Miss Betty became like a grandma to me too. I would visit with her at her home all through high school and I made time to visit with her at her at the shop when I came home from college. I took my new born to see her when she was born. Miss Betty was such a special, loving, and caring woman. She shared her heart and her home with everyone. I loved her very much. She will be truly missed.

“ I worked for Bettye at her shop in Okmulgee. We had such good  
times there. Bettye, Willie, Annie, Judy, Bobbie, Charlene, Johnnie  
Mae and me and a few others I can't remember. Those were the  
good old days. Bettye was so good to work for and treated us so  
good. I still saw her in the later years and will always remember her  
as wonderful person. God has gained an angel. RIP dear Bettye.  
Prayers and thoughts to Willie and the boys and all the family. Jane

*I have a lot of sweet memories of my dear friend. We worked together at ball bro's and after I went to beauty school I worked for her in okmulgee. We had so many good times to remember. She was the type of person you could go a long time and not see and then pick up like you had been together every day. I loved her like a sister. Love and prayers to her family*
