“ Aunt Betty was a vibrant woman. I recall her being very deliberate in whatever she did. I am sorry we lived so far away that we did not get to visit that often. I am sure she will be missed.##imported-begin##Brad Davis##imported-end##

“ My husband and I would like to express our sincere condolences to the family and friends of your beloved Betty. We wanted to share with you something that has brought us comfort at a similar time in our lives. John 11:14-44 shows us a wonderful example of what is to come-the resurrection- when Jesus resurrected Lazarus, here on earth, before the very eyes of those who loved him. We can only imagine the tears of joy when we too, will be reunited with our dear loved ones again. (John 5:28,29) Betty will be missed by those who shared her life, draw comfort from the experiences you shared together, hold them dear to your hearts and cherish them. Take care of yourselves and each other.##imported-begin##PJ##imported-end##
