“ *I have always loved Beverly. When I was a little child Beverly babysat me many times. Several times she took me home with her. I knew the whole family, her grandmother Mrs. Howard, and her mother, Edna Mae. They were all such kind and sweet people who were big part of my childhood. We lived close to the Howards on Sixth Street in Henryetta, and they lived behind us on Ragan. Our family went fishing several times with the Howards down on Lake Tenkiller. Homer was a great fisherman and great guy. I loved them like they were my grandparents. When I was around six years old I used to go visit Mrs. Howard and even washed her dishes for her. My mother couldn't get me to wash hers. lol I will always remember the picture of their son Nippy sitting on a shelf in their living room. I always felt so sorry that they lost Nippy when he served during WWII. It made a lasting impression on me. I miss them all so much. Heaven certainly gained a sweet angel when Beverly took her flight. May she fly with the angels and watch over her children and grandchildren. God bless you all.*
