“ *I will always remember your smile and generosity and love you showed our family! We all love you! I'll never forget coming in to the store and climbing up on the side of the counter and getting a piece of candy every time we came and and a quick visit with you! Fly high and rest peacefully and I can hear you and Granny chatting it up up there and all the laughter* 💕

“ Bill was my patient for the past couple of years. We had a lot of laughs. He LOVED SWEETS. I'd usually bring him pastry every Tuesday. I will sure miss him.

Hi Kathryn, Bill was my mom's cousin. She talked with him every couple of months but we just found out he passed. If you are able to share anything about his passing my mom would like to know. We understand HIPPA restrictions may not allow you to share.

Thank you for caring for him. He did tell us he had a nurse that would get him whatever he needed💕💕
