“ *Dear Dad, i miss you so freaking much. Life hasn't been the same since the day i found out i lost you. I know i'll see you one day but that day can't come fast enough. It's crazy how when you lose someone so close to you, you lose yourself too. You helped so many people. You always took care of others... sometimes i wish you could've taken care of yourself. However, i guess God took you for some mysterious reason. He sure as heck took a good one. Your smile could literally light up the room. I know you tried everything in your power to get me with you. Sometimes i wish i would have went with you but i can't change the past. I'll never be able to have you scare off my date, say my shorts are too short, yell at me because i cut my hair, walk me down the aisle, or even meet your grandchildren.(if i ever have some lol) Playing softball was never the same after not having you in the stands being my biggest supporter. I love and miss you so much daddy. I wish you could've stuck around longer but until we meet again... watch over me.*

"Drink A Beer"

*When I got the news today
I didn't know what to say.
So I just hung up the phone.*

*I took a walk to clear my head,
This is where the walking led
Can't believe you're really gone
Don't feel like going home*

*So I'm gonna set right here
On the edge of this pier
Watch the sunset disappear
And drink a beer*

*Funny how the good ones go
Too soon, but the good Lord knows
The reasons why, I guess*

*Sometimes the greater plan
Is kinda hard to understand
Right now it don't make sense
I can't make it all make sense*

*So I'm gonna set right here
On the edge of this pier
Watch the sunset disappear
And drink a beer*

*So long my friend
Until we meet again
I'll remember you*

And all the times that we used to...

... set right here on the edge of this pier

And watch the sunset disappear

And drink a beer

Drink a beer,

Drink a beer.

Yeah

Ill miss you Billy

Hey dad, its Sam. I know I haven't ever said much of you since.. well, when I found you, but the memories are just too painful to even look back on. I miss you. I truly do, more than anyone can know. Only you and the good lord does, i suppose. I just want you back, if I only had one real wish in this life, it would be that, to hug you again and see you smile, hear your laugh, hang out with Bri as we did before.. and just everything.. I want you to see how well im doing as a freshman now, to see me perform at color guard competitions and win by a long shot, and later see me join the Marine Corp, walk down the aisle with my wife.. the list could go on forever. although I can't change the past. and that is genuinely the worst feeling in this world. I miss and love you to death, and I know i will see you again soon.

-Forever your soldier son, Sam.

“*Billy "Spud" was a great friend of mine. We had a lot of fun together. God must have had a plan in heaven that required another good man. He sure called a good one home. Billy will be missed by all who knew him. My most sincere condolences go out to all members of his family.*
