“ Spent many evening and nights playing football with the neighborhood gang at this precious mans house. He was always so kind and gentle. I will always remember his smile and his amazing sense of humor. Kids today have no idea what they are missing in life by not being able to safely play at neighbors homes freely like Mr. Foster provided for us. He was an integral part of all of our lives while we grew up. My thoughts and prayers are with all his family.

“ Heaven has gained another true Angel. I will carry Uncle Bill in my heart forever. His smile, his voice and those awesome stories. No matter were I lived I always took my lawn mower to him and he'd fix it in no time. He always made me and mine feel welcome. His openness and goodness shining like a lighthouse beam in a storm. As some in the family I walk the low vision path too and I admire his never letting get in the way. Thank you Uncle Bill for being you. You inspire me and always will. You have gained your reward and I am blessed to have known you. When I do my Christmas cards this year it will be hard not to address yours. I love you ~Crystal

“ *Our loss is Heaven's gain but I will miss our phone calls and his sweet kindness to me. You never know in life just where friends will come from but I'm glad he made his way into mine. "God bless Billy's family and cover them with you're love and favor" We will miss you Billy but we know where you are.*

*Your phone buddy,
Char*
