“ *Blanche was a doting grandmother and I was her first grandchild. Since I am a grandmother myself now, I know exactly what she was feeling. It's a wonderful bond that will never go away.*

I have no doubt that she is in a better place that she well deserves.

I am thankful for the good times that we shared. For my two sons she was Granny Pond. She was their only grandmother who had a pond and that was how they distinguished her.##imported-begin##Jan Gatti##imported-end##

“ *My grandmother was an inspiration to many. Her loving character made it so easy to love her, and she always enjoyed giving anyone a kiss! I will miss her dearly, but I will remember the all the good times I had with her. She was certainly a woman of great strength and will be missed by all who knew her. I am thankful for the years I had with her.*

I know she is with Jesus and all her family gone on before her. My father,her first son, Sonny Allison, I am sure was there to greet her as she stepped into heaven and I know he was really glad to see her!##imported-begin##Colleen Litsey##imported-end##
