“ *Bob was such a hard working man and excelled at his job in the bridge construction business where he spent all of his working years. He was not afraid to tackle any problem. He loved water sports and excelled at skiing. He was always ready to lend a helping hand to anyone who needed it. He took pride in keeping his yard immaculately mowed and decorated. He provided well for their small dogs and proudly built them a heated enclosure which the dogs loved. He will be fondly remembered. Rest In Peace, Bob.*
