“ *It is said sometimes that a good man would give another " the shirt off his back". Bob Covington would give you time, physical labor, cash, any physical need you had that was in his power to meet . . . laughing and smiling the whole way. He definitely believed the teachings of the Saviour concerning giving.*

“ *I was blessed to be able to not only know Bob as my supervisor but as a friend also. He taught me the ropes in the beginning of the parts room and he was a pleasure to be around, He will be missed but Heaven gained a great man!*

“ I am glad the Lord allowed me to know Bob Covington. Upon my arrival in Okmulgee, he and Marlene invited Amanda and I over for dinner and fellowship and we never forgot that. We always looked forward the CASA chili supper ever year when we knew we would get the chance to visit with the two of them. Our prayers for Marlene and the family.
