“ *Bobby, my son Ken and I were at Jack and Marilyn's one day target practicing. We had a great time together. I always enjoyed being with Bobby. Although I didn't have the opportunity to be in his company very many times, I always enjoyed being with him. There was never a dull moment around him. I pray for Jackie and all of her family for peace.*

“ Bob was always there to help with a smile when needed. I am grateful for the many times he helped me unload my truck and burn my branches. He was often there for my daughter. So sorry to see him go so early in life. My condolences go out to his family and I will pray for their comfort in this time of need.

“ *What a sweet big-hearted man Okmulgee had in Bobby Dodson. He was friendly and generous and kind, and I am sad to hear of Jackie losing him so early in life. Bobby loved Jesus and served him. He was an especially good friend to my son Alton and Alton as well as many other young men looked up to him as a big brother or mentor. He was a happy man. We are going to miss Bobby.*

“ *Bobby could load a Beverly Hillbilly trailer better and quicker than anybody I know! A camp always has too much junk laying around and Bobby was our hauler. He found people in need of what we had and would haul out a trailer load anytime we asked. He lived to give away and make people smile. Never forget our Bobby!! Mr. Kim and Roxanne Kerley*

“ *My husband Micah and I got to know Bob and Jackie during our first year of marriage, more than anyone , they poured into us through encouragement, advice, and just patiently listening to our problems. We look up to them not only as individuals, but also because they were an example to us of what God intended marriage to be. It's more rare than common to see two people fit so perfectly together. I'm so thankful that I got to experience Bob and all his humorous ways.
Thank you for enriching our lives.
My sincere condolences to his family and friends.
