“ Bobby worked for my parents Quinton and Bonnie Copeland, many years ago in the oilfield. He was an outstanding worker as I remember them bragging on him often. I was a young girl of about 10 or 11 years of age and remember having the biggest crush on him because he always made time to speak to me and was always happy. I even wrote in my diary on every page I love Bobby Fain. 😊 He was such a nice person and my parents appreciated him very much.

Sending my condolences to all of his family. May you find peace in the days and months to come..
