“ Words really can't express how sorry we are for the pain you're feeling now. Just know we love you guys and are praying for you. Bobby was an awesome Dad, Papa and friend. We are so sad at the loss of Bobby, but it's some comfort to know that all the angels in heaven are welcoming him home.

My favorite quote by Ralph Waldo Emerson reminds me of the life Bobby lived.

To laugh often and much.

To win the respect of intelligent people and the affection of children.

To know even one life has breathed easier because you have lived.

This is to have succeeded.

Bobby succeeded.##imported-begin##Jon & Debbie##imported-end##

As hard as it may seem try to keep your heads up and be strong that's what he would want you to do. We love you guys.##imported-begin##Gina Steinman##imported-end##
