“ *Bonnie was like a second Mother to me as a child and young teen. She drove us kids a million miles to concerts in the 70's and was one of the few adults you could just sit and talk to about life. Bonnie was always a Glamour Queen, She dined with Royalty in Ethiopia as personal quest of of the King Haile Salassie and his mother the Queen of Sheba. When not dining with Royalty Bonnie could be found covered in Oklahoma Oilfield Grease working along side her husband Quinton..Yes she was quite the lady that I was always Proud to call my Friend. You will surely be missed by many. RIP*

“ *I remember spending a lot of time at the Copeland home in the Summer when my grandmother was away. My sister, Becky, and I would go stay during the day while our parents were at work. We had so much fun and I remember going to Treat's Store with Bonnie and you could pick out anything you wanted and she would get it for you! Kevin and I would play outside all day long.....good memories. Kimberley Bruner Cash*
