“ My heart and prayers are with the family at this time. I met Brad when he was a young boy. His mother was my hairdresser. Him and his brother Bobby would visit my parents, Bobby was sweet on my cousin who lived with my parents. Then our paths crossed again years later. After that he'd stop by my house just to check on me. One day I'd run over a rug while mowing my yard. I got mower up on blocks started pulling & tugging rug got a pair scissors cut pulled all afternoon. Wore out I rolled over in the grass to rest when I heard "Woman what are you doing?" I explained about running over the rug. Brad with one hand on mower bent over grabbed the rug with other hand pulled it right out. We laughed, he grabbed my hand pulled me up off ground asked me what I had to drink We set outside had a good laugh and good conversation. Brad was one of the good men you hear about. You'll be greatly missed son. R.I.P. till we meet again!
