“ *Janna, I just learned of Breanna death. I can only imagine the depth feelings that you and your family having at this time. I hope as time goes by it will be replaced with the memories of her smile and the joy she brought to those who knew her. I am so delighted that I had an opportunity to work with her that summer and introduce her to books on tape. Every time I think of James Herriot's books on tapes I see her face light up and press the switch so she could hear more. She was such a lucky girl to family that loved her so deeply. “ Janna,

Words cannot express the sense of loss you must feel as a mother losing her beautiful, loving daughter. I remember meeting Breanna as a baby and thinking what a beautiful child she was, and that she had been given a wonderful, caring mother to make her life joyful and fulfilling while she was in this world. My heart goes out to you and your family. Please know you all are in our prayers. Just remember - a wondrous celebration of eternal life is happening in heaven for Breanna - a soul of sunshine and purity and warmth that will be greatly missed here on earth.
