“ Mr. Walters, Mrs. Brown, Ronald & Tracie, please know that we are with you all in prayers and thoughts during this time of tragedy. We were so stunned to heard of Bret's passing, it is still hard to believe. We remember Bret, Ronald, Stanley & Andy all playing baseball together when they were young, it's hard to believe that two out of the four have gone on to heaven at such young ages. We would like to believe they are playing catch and talking about old times right now. We will remember Bret's smile always. May God's be with each of you.

“ Our love and prayers go out to The Walters Family during this time of loss. Bret was our friend, we have so many great memories from back in the day with Bret, going to rodeos together and having fun at the lake. Alan & Bret worked at Alliance Wall (or "The Wall" as they liked to call it) with Max and we always enjoyed working together. While I didnt see Bret very often these days when we did run into each other it was like we'd just seen each other yesterday. Bret will be missed and always remembered fondly in our hearts.##imported-begin##Alan & Lori Lewis##imported-end##
