“ *The family of Chris Graham would like to thank everyone for the prayers, kind words and support you have given us. Chris was truly blessed to have been loved by a wonderful family and so many dear friends. Like it was said at the graveside services, there is not a word in Creek for 'good bye'. We are not saying 'good bye', only that we will see you again, in heaven. Chris, we love and miss you and you will be in our hearts forever!!!##imported-begin##Tami O'Brien##imported-end##*

“ I have put off posting on here, not that I have nothing to say but because the pain is just too deep! I relive Thursday over and over, trying to find a way to make it all different! I get the same result. Chris, I knew from the moment we first talked, you were everything I needed in life! I may not have you here with me any longer, but I have Adiah. She is by far the best thing you could have ever given me. When I look at her I see you all over! I hope that as life carries on that she makes you proud each and everyday, I hope that I too make you proud seeing that she has everything that she needs while you watch over us.. I love you so much!! Denise, I am so terribly sorry for his loss. You did an amazing job raising him into the man he was! No one could have asked for a better friend, a better father, or a better love.. May god grant us all the strength to carry on.##imported-begin##Kristin##imported-end##

“ We felt Chris was a really good guy and had hopes that he would be a part of our family someday possibly. We are heartbroken that he will no longer be here to enjoy the life God gave him. I wish he could've just reached out for someone to be there for him when he needed it. We're so sad for him, his precious babygirl Adiah and his extended family & friends. May God grant you all the Peace and Strength you'll all need to get through this unbelievable loss.##imported-begin##Duane & Hona Bullard##imported-end##

“ I knew him as Orbital, OrbBro, or just Orb. We (Spanky, Orb and I) spent a lot of time together via internet. I know the three of us annoyed Denise like crazy. Together, we overcame an addiction of online gaming and social networking, and got on w/ our lives. When you spend that much time w/ someone, you learn a lot about them. I'm grateful that they we're there for me through my hard times. Because w/o them, I would've been lost. Miss ya Orb.##imported-begin##James (Krony) Hill##imported-end##
