You are at peace now with no pain. The fun times we would have when you would come home for the holidays to Grandmas house for family dinners. I remember you would always seemed to have a scooby doo coloring book and I was so jealous. Course I was probably like 5 then. I'll always have the memories and the pictures of us at Grandmas house on holidays. I remember the trips my family made to Tulsa and you, Ray & I would play in your backyard. I even remember the little ice cream cone cupcakes that your Mom (Aunt Wilma) made. Always & forever cousins. Please say hi to all the family including Grandma, Grandpa and my parents. Love you forever Carl. Prayers to Aunt Wilma and the rest of the family. Love all of you.
