“ Condolences to the family. I worked with Carla years ago at the Okmulgee County courthouse in the Treasures Office. We had many laughs together, she was a lot of fun to be around. I know the family will truly miss her. Prayers for all.

WE

“ I am Carla's cousin. At one time when we were kids we lived one street over from one another in Wichita, Kansas. We walked to and from elementary school together. Even though she was 3 years younger than me we still had fun playing together. We often jumped on a huge tire inner tube in their backyard We also liked playing in a vacant lot half a block down the street. Lots of kids gathered there. Under the shade of a big tree we played in the dirt making roads for cars. I was sad when Aunt Sib and Uncle Chuck, her parents, moved the family to Indiana. I did not see her much at all after that. A while back we were on a group face book page and I enjoyed the contact. I am so sorry for any suffering she has had in recent years and very sorry for the family's loss. I am sad too! Prayers for comfort for her loved ones. WillaJeanne (Bearden) Evans

“ Fond memories of time spent together as kids. Favorite memory is horse laying down in the pond while Carla and I were riding it back from the island in the middle of the pond. 😭
