many things. Her love of nature; she spent many hours walking in the hills behind her home enjoying God's creation, especially the Red Bud trees. She loved ALL people, ANY and Every people and she loved with God's love. Her love for family was amazing. She kept their hearts full of love and their bellies full of hoska, hot rolls and fried chicken. Carolyn will be remembered for her overwhelming love for Christ. Never wavering, never question, always believing love for Christ. This love will be her legacy as time moves forward. “ One of my fondest memories of Carolyn is on the first anniversary of my mom's passing she remembered and sent me a card, writing such sweet and kind words. It meant so much to me. She was always so kind, always had a sweet smile and a hug. I agree with everyone that said she must have been an angel here on earth. And she had such a sweet and precious family of which I will be much in prayer for as they go through these days missing her so much. Good news is we will all see her again.

“ Carolyn was one of those rare people who had a true gift. She could bring light, laughter and comfort in the darkest of times. She could always find a positive in any situation. I truly believe she was one of God's favorite angels. He sent her to be with us for a short time because He knew we needed her. I was so very blessed to have known her.

“ Carolyn lived across the street from me in Waukomis. We had so much fun doing things together. She was so quick to laugh and she was so full of life. She was a great friend. I remember what a strong basketball player she was. She never gave up. God bless you, Carolyn. I will remember you always and I am very glad you were a part of my life.

“ Phil. 1:3 says I thank my God every time I remember you. She would come to visit us at Okmulgee Vision Clinic and this was a scripture that she shared with me shortly after my first grand daughter was born. She would visit and tell us stories, testimonies, short sermons on how God's love can transform us by making us the love he carried into this world and the love we need to carry into this world for all people. What a wonderful woman. Truly a blessing.

“ In the wee hours of the morning she would meet with Jesus. Long before the sun arose she would meet with the Risen Son. In my mind's eye this is a very tender scene of love being shared back and forth between her heart and her Lord. And yet there is no doubt in my mind that many mornings she would put on her full armor and enter into battle on behalf of those she knew and loved. Strong and fearless in her faith she did for many of us what we were too weak to do for ourselves. With just a silent whisper of His name lives were protected and hearts were healed. There is much to celebrate.

“ No one ever had to ask if Carolyn was a Christian. She lived her life the way God intended. She was a prayer warrior, loving, caring, compassionate, a constant worker for the Lord. I appreciate all that she did for me. The way she encouraged me in some very tough times. My thoughts and prayers are with the Markes Family.

“ *Ms. Mimi will always be remembered as a very special friend. We met Ms. Mimi in 2013 when we first moved to Beggs. Jesus was very evident in her lifestyle. She taught me to stop whatever I'm doing and look at the person when they are speaking to you. Her gift of time to anyone who stopped by to say hello and visit was never turned away even when she didn't feel well. She had a way of listening to people also. Say a prayer for you no matter the place. Everyone called her Ms. Mimi and in Japanese that means your ear ( I think that name fell into place for the way she listened contently). The Markes family has made a big impact on our lives. We will miss her so much!*

“ I met Carolyn over 45 years ago when our kids played ball together and were in the same class. Spent many years at school activities together. Always greeted with a smile and a hug. She never changed from being a sweet wonderful lady throughout all those years. Will miss seeing her but I know she is with our Lord and Savior for ever and I know I will see her again. My thoughts and prayers are with her family and friends.
