“ *We're only just learning of Ms. Carolyn's passing, and the memories of our time being neighbors across the street from the Milroys come flooding back.*

What a spitfire she was, ready with a smile and a story at the drop of a hat!

Her volunteer work was the center of her life, at least that she told us, and she loved what she did for OMH.

We've been gone from that neighborhood for 17 years now, but those neighborhoods, especially Carolyn, will remain with us.

Our condolences to her family and her many, many friends.

“ Carolyn and Bill were my backyard neighbors for over 40 years. We had some hearty chats over the fence and on the phone in years past! I knew Carolyn as well through her volunteer work at OMH. I'll remember her for her humor and many kindnesses and for keeping the neighborhood birds well fed! My condolences to Rusty and Janis and family. She was a treasure.
