“ *Uncle Cecil was the best uncle ever! He was always there to support us and tell us of the history of the family. His life in the Air Force was so exciting to me as a child. His presence among us is missed. He was a kind, gentle, and loving soul and that goes on to eternity. I am so grateful he has been in my life. Lou McKeen Delcamp*

My brother, who taught me alot when I was a youngster. How I cherish the days when he pumped up my bicycle tires, showed me how to be very careful with firecrackers, and many, many other things including how to use a slingshot. He was a splendid Air Force veteran and loved his family so much. Roberta, the love of his life, was an enormous factor in his life and was always there for him. Our sympathy goes out to each and everyone of his children and their spouses. I loved my brother.
