“ *Dear Tony & Mike, So hard to imagine what the past week has been like for our "family"..because it has always seemed like we were all one family. In fact, we have shared more family times with you than some of our 'real' extended family members. I know I can't comprehend the feelings of losing my Mother or spouse, but my heart aches at the loss of the dear sweet spirit of Charlene. She always had a smile and warm greeting and I'm sure, as one of our Guardian Angels, we will still feel her loving presence. We love you both.
