“ I met you 40 years ago when I first came to Beggs. We became good friends immediately! A few years later you were the Best Man in our wedding. Throughout the years you were my Father-in-Law and then my Brother-in-Law. So, I guess you could say we were really good friends as well as family. You were so proud of your garden and you had a right to be. I will miss you coming by this summer with a mess you picked that morning. You really did have a green thumb! I'm going to miss you, Chuck. Your laugh, your stories, your smile. Beggs will not be the same. We lost a good one. R.I.P.
