“ *Mr. Johnson was a wonderful neighbor to the Mitchells, Meadows, and Fishers. Everyday as he drove by in his always spotless, shiny cadillac he'd look over our properties to see that all was in order. He also had us spoiled because he placed our containers on the curb every week. He told us EXACTLY when to have them filled and his schedule for placing them on the curb. If it was not filled on time he did not come back for it later; I know this from experience (smile). When mine was not ready he never said a word; he just rolled the empty container right to middle of my door steps (smile). It was his quiet way of telling me that "he came by on schedule" and I needed to fill it and roll it to the curb myself (smile).*

Mr. Johnson's kindness will never be forgotten. He knew that each of his neighbors is caring for an ill family member in the home and it was his quiet way of letting us know he was there.

"If I can help somebody...then my living will not be in vain."
