He married his sweetheart, Kathy Jones, August 13th, 1971. Charles loved helping his neighbors and would mow their yards regularly. He spent his days taking and picking up his grandchildren from school. He loved to fish but loved his Oklahoma Sooners even more. Charles was drafted in the army in 1967 and served in Germany during the Vietnam War. Charles was an avid member of the Praise Center Ministries of Sapulpa for over 17 years. Charles retired from Hughes Anderson as a welder in 2012. *One of my favorite persons. I was always moved to watch him worship the Lord call me he worshiped with all his heart as we all should. But you could always tell Charlie was alone with God when he worshiped. Always melted my heart to watch him worshipping. We know that we will reunite soon with Charlie. What a glorious time we will have.. praying for strength and peace for the family. Love to all the family,

I knew Charlie all through school and became better friends when we attended Beggs First Assembly of God. He was always such a sweet guy. He loved his family so much and especially Kathy. He was so proud of her. It seemed every time I would talk to him he would tell me something amazing that Kathy had done. They were just made for each other. I will miss seeing him around the neighborhood. My thoughts and prayers are with Kathy, Karrie, Garrett, son-in-law and daughter-in-law and those wonderful grandkids. I love this family very much.

“ *I worked with Charlie at Hughes Anderson. He was a welder when I started as a helper. He was always one of the nicest people. He is one of the few people I have ever met that did not have anything bad to say about other people. He would always change the subject. Also, he was always true to his faith. He was not ashamed to bow his head in prayer every time he ate. (And should never be ashamed for giving Lord thanks). Charlie let the company for awhile then came back. Still the easy going Charlie. Always ready to pitch in and help. Always wanting and doing the best job he could. I have no doubt he will be greatly missed. Try and save a seat next to you for me, Charlie.*
