“ Dearest LeGrand Family,  
Please know my heart and prayers are with you all during this shocking and saddened time. "Little Billy" was my lifelong friend and family to me and my family all these years. We shared so many wonderful memories not only in school as classmates of 1988 but especially our summers at the lake with our Dad's when working at the "The Old Boathouse" Lake Okmulgee. Our Dad's (Doug and Big Bill) were besties and so that of course made me and "Little Billy" besties too. We had such a fun strong bond that took us the long haul throughout life. Billy was so kindhearted and giving to anyone and everyone. He was funny, smart and loved his family and friends deeply. We are all so lucky to have known him and I will forever hold a special place in my heart for my sweet friend. God bless you Little Billy...wait for me at Dripping Springs we will go fishing someday again. xox

“ I can't believe how fast the years have gone by Bill Bill (Bubba) and Misty were my other two kids Amy said to me yesterday we were the luckiest kids ever as we all had the best childhood a kid could have . The joy all of you kids brought to all of us could never be measured. Bill Bill was always building something new on the erector set to save the planet or to make something run faster and with his creativity it usually worked ! Then off to riding bikes jumping off buildings sneaking into Hollemans after being told don't go down there you all will get hurt but We didn't go far there was a good part laying there I we needed Then off to Nannie's never to tired to eat her pancakes ! Then the years went by as I watched him continue to grow up and become a awesome guy who loved life and would help anyone in need God needed a special Angel and he sure got one in Bubba 💕🙏💕 Always and forever in my heart 😊

“ I don't remember where we was going but it was grandmother LeGrand,momma(grandma Pearl),daddy(grandpa Marcel) and I. We stopped to eat and little Bill jumped out of his seat and looked at momma and hollered I gotta s--t grandma. Everybody was laughing. I think you was about 4 or 5 year's old. I know momma and daddy laughed about that over the year's. It's one of the best memories I have. I sure love you my birthday baby. Love Aunt Susie.
