*My dad was always helping people. He would give shelter and food to just about anyone. He will be missed by so many. He always called me Tam or Tam Tam.*

Tammy Staley - May 21, 2018 at 03:23 AM

*I will miss you my brother more than I ever could have imagined. No phone call every morning when I get up and one before I go to bed, no honk of the horn as you drove past my house and no harassing messages left on my phone from you. The little things counted most of all and that big giving heart you had sometimes was ignored and taken for granted by many. I will never ever forget you and you will be a topic of interest at every holiday as we miss ever single one of our loved ones who are not there. You have gone on and our family knows you are now in the arms of our Lord and spending time with ones who left before you. I love you and always will.*
