“ Christine will always be one of my all time favorite people and my sister in Christ. She was the one of our bunch with her head on her shoulders - she always had a notion of right and wrong and while she went with the right, she had fun while doing it! I will miss Christine, but look forward to seeing her smiling face again. I think she is now organizing the angels in Heaven, getting a dinner ready for someone.##imported-begin##Nancy Harris##imported-end##
