“ Christopher Lynn... I have no words for this at all.... Except damn you.. The day you gained your wings we would have been together for 9 years. We always made a promise to be in each other's life. We were but not often enough. You were there during my darkest days seeing me through the best that you knew how. I have always loved you and I waited for along time And yes I knew you loved me very much. You always did. You have set out on a new journey.. a new beginning... see you on the other side
You will be missed !
