“ *Mr CLD did the Lords work. He called or showed up in people's lives! He shared peace and love with everyone. He was sorry for his loss of time with his children and made amends when possible. He loved his children and had great memories of them. He loved his family. One of my favorite memories of Mr CLD was demolishing a wall to make his front room larger. Another great and crazy memory is going to meetin' early one morning bumpin along going down a long hill and running out of gas but as you know God is Good, we coasted down that hill right into the gas station and we weren't even late for meeting! I am so thankful to have known Mr CLD, he loved me and I loved him. He showed me and many other folks the meaning, power and the glory of God. Peace and Love to his family! God bless you and may he keep you well. Forever your friend,

“ *Clarence Davis "Popa Sonny" was my everything. I miss him so much. He saved me from basicaly me. He was my great grandfather, but I looked at him like he was my daddy. He brought me out of the dark, and showed me the light...otherwise known as Jesus Christ. He would go to church with me and my Gigi, even if he didn't feel well. There are so many things I wish I could've said brfore he went back home. The main one is to tell him that I'm sorry. I know he watches over me now. He will be missed so much by; me, my family, and his friends. I'm so glad he came into my life and raised me to be the better persom I am today. Most of all... being my daddy.*

“ Remembering Clarence Davis my brother-in-law. He was a good husband to my sister Reta. He was always kind and cheerful. When he came for a visit he really liked to talk and express what was on his mind. He was a person who truly loved the Lord Jesus Christ. I will miss you Clarence. You left behind good memories.
