“ *I just learned of Clarence's passing and want Jerri and the family to know they are in my thoughts and prayers. Clarence was a mentor to me and a close friend. He gave me my first job and taught me lessons about life and business. We spent many, many afternoons together - working in his jewelry store and listening to country music on KVOO. I'll cherish those memories forever. I'll miss you Hamm. Love, Travis*

“ We're just learning of Clarence's passing and our hearts are heavy. What a "jewel" Clarence was in our lives!!! He kept Steve out of the doghouse for many a birthday and Christmas. I have many treasured pieces from Clarence's shop and I will cherish them forever. I don't think we bought a new piece ever - always one with a story. I will never find another Clarence. Our heartfelt condolences go out the Jerri, Anita, and the entire Hamm family. Clarence's memory will sparkle on in the jewels he touched, the stories he told, and the hearts & lives he touched!

“ He designed my ring and he always had time to talk horses with me. When I had to have my wedding band cut off, he cried after he cut it and I told him it had never been off since we said our vows. He took Ed's band and mine plus the stones from my Mom's ring and made a beautiful nugget ring. Jim Giles was in the store when I picked it up and Clarence asked if Jim could have a ring made like it. I loved that it was so beautiful and said yes. He was a dear and kind man. - Sandra And Ed Barton
