“ My uncle, my friend I will miss you more than you know. This house isn't the same without you here. It hurts my heart to know that Kylan won't get to experience what a loving caring person you are. Give grandpa, grandma and Aunt Connie a hug for me. You've had such a great impact on The lives of my children and they will forever remember your love, kindness and guidance. You were always there when I needed you and I'm thankful for all that you've done. Love you
