“ Wayne,

Clayton was a great baseball player, great person, and a great friend. I have a lot of wonderful memories of him on and off the field. Clayton was always happy and always had a big grin on this face. Every time I think of Clayton, I have to smile. My thoughts are with you and your family.

"If tears could build a stairway and memories a lane, I'd walk right up to heaven and bring you home again."

I miss and love you Clayton. You aren't just a brother, you are a friend that I thought the world of and still do. I'm saddened that you had to go so soon but what helps me is in knowing that The Lord knows what's best. I know you are up in Heaven showing him your lefty skills and playing with the best there is up in Heaven..... Just don't show him that you also like to cheat playing card or board games :). I love you so much Boo. Thinking of you until we meet again.
