“ *Fuck that worthless piece of shit. He got off lucky dying before I could catch up with him. He kicked me in the back (literally) while I was on the ground at 17yrs old*

“ *I was friends with Clint at Wilson Elementary through Okmulgee High School. He was a pretty good guy and was a good football player until he had to start working. I lost track of him after high school, but was glad to find him before he departed. Fair winds and following seas, my friend.*
