“ *Cliffy has always been in a hurry, he rushed into the world 3 1/2 months early, weighing in at 1 lb 12 oz. He had many struggles in his life he spent the first 9 months in the nic-u. I remember shopping in the toy section and getting him cabbage patch doll cloths to wear home, but they were still to big on him. He grew quickly as most kids do and went to school. In his teenage years he didnt stay ot late, go to wild parties, or race cars. In fact his mother knew where he was at all times. He was such a momma's boy and he never left home. Now we may never know who's idea it was that he got a job. Did he want it to help out or did his mom insist he get a job if he was going to be a 30 year old man living with his mom. Never the less he went with out any complaints.*

*He had 3 great loves in his life. Music, dancing in his chair, and his mother. As much as he loved them, they couldnt hold him back. When he was ready to leave this world he rushed out quickly. He's no longer restricted to a car or bed. He's spreading his wings flying with the angels*

*While you were only here a short time you were loved by many. and will be missed.*

*Love Aunt Sherry*
