“ dang man it seems just like yesterday we were chillin on the couch watching dope freaking movies and eating micaylas nasty food. seems just like yesterday you became my brother. you were forever doing the nicest things for me. i remember we once walked to walmart from you and micaylas apartment and we were going to buy food so that we cook spaghetti for micayla and jazmyn we were jammin to what i thought was the dumbest music but you loved it so i just continued to sing and dance with you. i remember we would talk everyday for like the longest time just talking about our days and jazmyn. or the day gavin took me to the movies you also got your eyebrow pierced and you cussed that guy out because you didnt want to cry. i just want you to know that no matter what i will always love bubba more than you could ever imagine. you were like the big brother i needed in my life it sucks i never got to say goodbye. and i dont think i can. but i know now that you are in a better pace i love you forever bubba
